TEMPORARY CHANGES		1 of 1
Date		Revised
June 8, 2012		April 5, 2013
STATEMENT	<p>The Algoma & Huron Superior Transportation Services (AHSTS) consortium's main focus is the safe and efficient transportation of students to and from school.</p>	
PROCEDURE	<p>Student safety is a priority, and as such, requests for temporary transportation changes for less than thirty (30) days will not be considered unless it is an extreme exception. In rare circumstances of extreme emergency or for compassionate reasons, a request may be considered. Should the request be granted, the student will be assigned to the nearest existing stop only and will be contingent on excess capacity on the bus.</p> <p>Each request must be made to the school's principal at least 48 hours before the change is required.</p> <p>The principal will review the request and decide whether or not it is reasonable and legitimate.</p> <p>The principal will then complete the necessary form (<i>TP-005a</i>) and fax it to the Consortium for final approval and stop assignment. This form is available on the AHSTS consortium's website.</p> <p><i>New stops will not be created for temporary changes</i></p>
